

2015 Share the Pain Team Challenge

Adelaide Hills, South Australia

In the inaugural **Share the Pain Team Challenge**, the **ReturntoWorkSA** team, who put out the challenge, clearly showed the benefits of teamwork by topping the total metres climbed, even though a good number of their members participated in the 2 hour or 4 hour rides. This is exactly what the Team Challenge is about - participation, doing your best and working together. So, the Champion team **ReturntoWorkSA**, was closely followed by the **Attorney General's Department** team, half the number of riders but within a 2000m of the champions. The bronze medal goes to **The Nutters**, a full 4000m of climbing back.

TEAM NAME	NUMBER OF CLIMBS	NUMBER OF MEMBERS	TOTAL METRES CLIMBED
